

STONE SHERICK

CONSULTING GROUP

Job Description

Description of Company: Stone Sherick Consulting Group (a certified WBE) is a consulting firm specializing in Real Estate Development Services for affordable residential, mixed-use commercial and industrial real estate development projects that provide a social impact. Over the last 25 years we have been involved in the development and completion of over 18,500 dwelling units, more than 900,000 square feet of commercial and industrial development with a value of over \$2,200,000,000. We are currently working in several states that include PA, NJ, MD, NY, DE, & VA and Washington DC. Please see our website at www.sherickpm.com to learn more about the company.

Our Real Estate Development Services include: composing and production of financing applications and closing documents, acquisition and property location, feasibility studies, environmental and geotechnical coordination, development of project schedules, production of operating and development budgets and identifying and qualifying appropriate professional service providers such as architecture, engineering, and specialty consultants.

We are a small office with currently 15 full-time staff. We are a tight group and operate like a family, so we are looking for a person who will be a “good fit” to fulfill the following position.
